

Nerdy kid now winning amateur events. Turns
pro soon
& handlers re-fashion him as brash
loudmouth.

Tiger opposite. When they meet we get hand
wringing
about undermining gentleman's sport!

RATINGS! When T just getting 1st gray hair
this
brat'll shake him.

Result? What's the diff? It's TV!

But if kid's as good as they think,he
eventually
elbows T aside.

Then kid loses rough edges! That's the next
story
in the phony cavalcade.

(Perhaps his dog can die. That's real ABC
territory.)
